how HARSHLY I was JUDGED"

Jewellery Designer Profile

JULES B

Jules B produces elegant jewellery with an artistic aesthetic made from recycled silver. Each piece is thoughtfully handcrafted in her Liverpool studio, using traditional silversmith techniques. Jules B produces jewellery that elevates the

everyday and her exploration of texture shines through in her stylish designs. Visit julesbjewellery.com and follow her on Instagram @jules_b_jewellery

SONYA K

SONYA K. is a New York City-based fine jewellery brand that creates wearable, stone-centric,

heirloom-quality jewels for the modern woman. Their designs are sophisticated yet wearable for the everyday and elegant enough to wear at night. The perfect harmony of playfulness and refinement. Visit skfinejewelry.com and follow @sonyakjewelry on Instagram.

COELLA LOVE

Coella Love is a custom jewellery company that focuses on current design trends for the everyday woman. They use the highest quality gold filled materials, creating jewellery that is water resistant, hypoallergenic and built to last. Enjoy their collection at the beach, pool or brunch and look in-style

while still being active in these forever pieces. Visit coellalove.com and follow @coellalove on Instagram.

LEIBISH AND CO

Discover the pinnacle of luxury with Leibish's stunning collection of gemstone and colour diamond jewellery. With over 40 years of expertise, their pieces are carefully crafted to perfection by skilled gemmologists. Experience the ultimate in sophistication and elegance. Visit Leibish.com and follow @leibishjewelry on Instagram for more inspiration.

RENDRAG JEWELRY

Jewellery with a conscience. Rendrag Jewelry offers a line of exceptionally designed and expertly crafted jewellery, with a focus on bespoke engagement rings and wedding bands. Manufactured and based in Philadelphia, this brand aims to use materials that are ethically sourced, with transparency

in gem, diamond and gold supply lines. View the beautiful collection at rendragjewelry.com and follow @rendragjewelry on Instagram.

HEERIA

HEERIA is a young Berlin based fine jewellery brand founded by Rekha Daake. Sustainability is at the forefront of their ethos with all jewellery handcrafted in Portugal and Germany from 18 karat recycled gold, lab grown diamonds (grown with zero emissions) from Antwerp, and biodegradable packaging from Finland made from wood chips but still with an aesthetically pleasing look and feel.

Shop the collection at www.heeria.com and follow @heeriaofficial on Instagram.

LNB JEWELLERY

LNB Jewellery is an emerging Dubai based brand, specialising in luxury jewellery bijoux. Each of their pieces are handmade using precious metals and semi-precious gems, ranging from rhodium, gold 18 carat plating and nano coating.

The first LNB Jewellery collection was successfully shown during New York Fashion Week and today, the brand is a regular participant of Paris and New York Fashion Weeks. Browse their unique and modern designs at lnbbrand.com and follow @lnb.jewellery on Instagram.

DIDOSH JEWELLERY

Didosh Jewellery aims to make women feel special and elegant wherever they go. Their fine, everyday jewellery complements both casual and formal outfits. Expert Turkish

artisans handcraft every intricate piece with the utmost care and precision – and an obsession for detail. Their innovative luxury jewellery, inspired by their culture and made using age-old techniques, makes people feel decadent and special. Visit www.Didoshjewellery.com follow them on Instagram @didoshjewellery

ALFRA JEWELLERY

Alfra is a newly established fine jewellery brand designed by two sisters, based in London. Alfra's pieces provide a timeless and classy elegance, designed to empower the women that wear them. Discover Alfra Jewellery, timeless beauty and eternal treasures at www.alfrajewellery.com and @alfrajewellery on Instagram.

RESHELLED JEWELRY

Letting the natural beauty of hand-picked shells shine, founder Jessie Taylor creates waterproof jewellery for shoreside perfection. Relaxed statement necklaces and oyster shell earrings are the

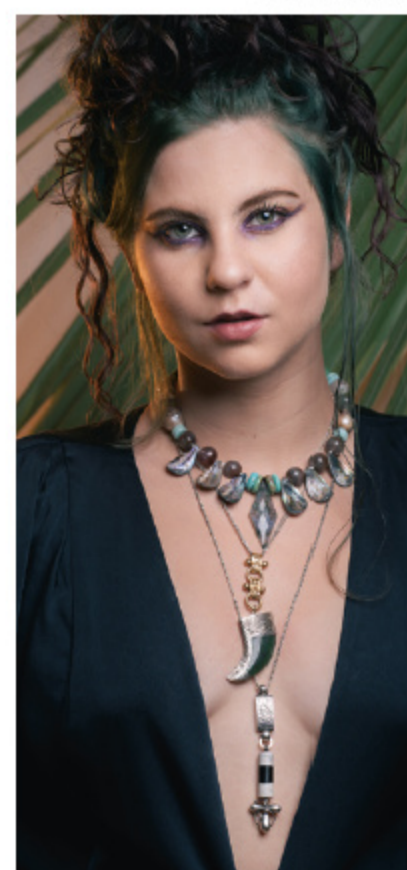

brand's signature. From the cabana to cocktail hour, these chic pieces are designed to take you on holiday. Discover more at www.reshelledjewelry.com and @reshelledjewelry on Instagram.

BALDUCCI

Featured is the 18 carat Colombian Emerald and Baguette Diamond set ring. Contact Annette for your own bespoke design at Balducci Jewellers on 0151 336 5235.

ROMY IN THE DESERT

Based in Southern California, Romy Sinclair offers an artful twist on the statement necklace by channeling the allure of Palm Springs, Joshua Tree, and Coachella. Discover gemstone collars mixed with vintage components such as bakelite, bog oak, and vulcanite. Her amulets often include antique hallmarked silver artifacts that are perfect for stacking. An elegant portrayal of modern grace and sustainability. Visit www.romyinthedesert.com and follow @romyinthedesert on Instagram.
